PROFILE OF APPLICATIONS AND ACCEPTANCES FALL 2003 Combined GPA and LSAT Percentile Data

Note: In each box, the figure to the left of the slash represents the number of applicants. The figure to the right of the slash represents the number of those applicants offered admission. For example, 76/35 which appears in one of the boxes on the top line of the chart indicates that 35 of the 76 applicants with LSAT scores between the 81st and 90th percentile and GPA's between 3.75 and 4.00 were offered admission to the first-year class entering in the fall of 2003. This profile includes 99% of the applicant pool; it does not include applicants who took the LSAT under non-standard conditions.
